

Tagline:

The easiest way to create marketing videos.

Short Description:

Video Jaguar is a cloud-based video maker designed to help business owners easily create professional video ads, real estate videos, and more in five minutes and a few clicks.

Long Description:

Video Jaguar is a cloud-based video maker designed to help business owners easily create professional video ads, real estate videos, and more in five minutes and a few clicks. Video Jaguar allows anyone, on any budget, to create professional marketing videos with no technical skills needed. Users can create unlimited videos that they can use to promote their business or sell to other businesses for any price they like and keep 100% of the profits.

Key Features:

- **Premium Templates**
- **Social Account Poster** (*Syndicates videos to 11 top social platforms*)
- **Social Calendar** (*Done for you video content for 365 days*)
- **Schedule Posts** (*Set & forget post submitter & scheduler*)
- **Integrated Mobile App** (*directly post to TikTok & Instagram*)

Key Benefits:

- **Automate Your Marketing** – Video Jaguar automates your social media marketing with engaging video content; saving you time and money.

- **Unlimited Downloads** – Video Jaguar allows you to create and download as many videos as you like. You own the licensing to all videos you create.
- **High Quality Video Templates** – Video Jaguar comes packed with HD video templates for you to customize. These high converting templates are proven to catch the attention of your audience and increase sales.
- **No Tech Skills Needed** - A.I. technology takes care of all the hard work. All you have to do is select a pre-made template, customize the text fields, and upload your images and music or select them from the built-in libraries.
- **White Label Rights** – Video Jaguar gives you the power to create unlimited videos that you can sell to other people at the price you choose. This means you can create a white label video marketing agency that caters to local businesses in your area and keep 100% of the profits.
- **No Watermarks** - There are no watermarks on the videos you create, or any Video Jaguar branding for that matter, since you're the owner of the video. This allows you to create truly unique videos for your business.
- **Cloud-based Software** - Access Video Jaguar from anywhere. There's no need to download any bulky software since its fully cloud based. All you need is an internet connection to create videos and access your previous projects.
